Motivated and detail-oriented data analyst with a solid foundation in statistical analysis and data visualization, keen to use analytical talents to drive data-driven decisions. As a data analyst, I hope to provide new insights and unique solutions to a fast-paced firm.

Experience

MAY 2024 – JULY 2024

Data Analyst Intern | Unified Mentor Pvt Ltd | Gurugram , Haryana

Datasets were cleaned and prepared using Excel and SQL, resulting in a 25% reduction in data mistakes and 100% data completion.

Analyzed exploratory data and created over 10 Power BI Dashboard , resulting in the identification of 10 or more relevant trends and patterns that caused a 15% increase in campaign performance.

Collaborated with a cross-functional team to provide data insights, which helped to complete 5 significant projects ahead of schedule.

Developed detailed reports summarizing findings, which increased stakeholder data-driven strategy decisions by 30%.

I collaborated closely with senior data analysts to improve key performance measures, resulting in a 20% boost in user engagement and a 10% improvement in retention rates.
